## Graphic art on show

50 artists and 15 countries will be represented at the Malta Hilton for an important exhibition entitled "Two Centuries of Graphic Art", organised by art historian Dame Francoise Tempa, between the 27th October and the 15th November. The exhibition is an extension of the previous one held by Dame Tempa at the Cathedral Museum in Mdina in 1990.

The exhibition will include engravings, lithographs, prints and original drawings by well-known artists such as Henri Matisse, Frank Hill, Francisco Goya and Salvador Dali amongst others.

The Community Chest Fund will receive 10% of all sales of this exhibition.
